

Water Awareness Training DEFRA Level 1

Saturday 6th April 2019

**Victoria Institute, Caton
10am – 2pm**

You'll gain a better understanding of hydrology, water hazards, personal protective equipment, dangers of soft surfaces and it will include a practical session on the River Lune.

Ideal for individuals or groups who work or play near or on the river, community emergency coordinators, youth leaders or just anyone who is safety concious. You will gain a certificate for attending.

Caton-with-Littledale Parish Council is organising this course, and has free places for up to 15 people who live in the parish of Caton-with-Littledale. For others there is a charge of £30. Refreshments will be provided.

If you or your organization would be interested, please contact Jenny Walmsley on 01524 771299
