I should ask my teacher these questions to help us Prepare, Act and Survive

1. Have we checked to see if our school is at risk of flooding?

2. Are we signed up to receive flood warnings?

3. Does our school have a flood plan so we all know what to do?

4.

5. Where do we go to stay safe if there a flood?

6. Who might need extra help if we need to leave school?
