

We are pleased to inform you that we have launched an App which will provide you with accurate and timely messages as we progress the Kendal Flood Risk Management Scheme.

This app is designed to provide you with up to date information on the progress of the scheme. Offering a 'notification' service you can conveniently keep up to date.

The app known as **VolkerStevin Engage** is ready for download by following 3 simple steps.

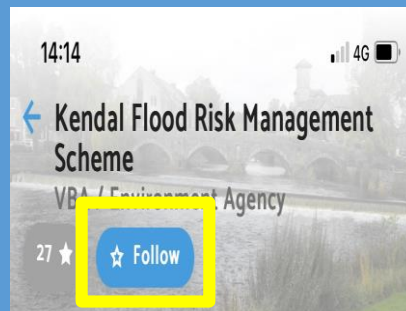

What are the benefits of VolkerStevin Engage?

- Ability to reach a larger audience
- Targeted and efficient communication
- Time and cost savings
- Ability to receive feedback and questions that can be answered directly by the flood scheme team

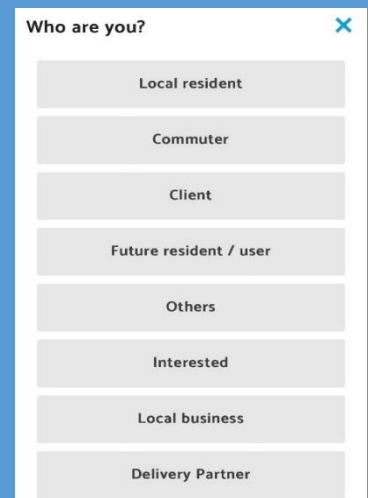

1. Scan the below QR code to download **VolkerStevin Engage**. Available from both Apple and Google Play.

2. Click on the Kendal project, and tap on the 'follow' button

3. Select the option that best describes yourself.

How can I find out more information?
