

### **Sample Post 1**

From Mon 7th – Sun 13th February, @TheFloodHub are hosting a ‘Managing Flood Risk: A Catchment Approach’ Focus Week 📣, highlighting what the catchment approach is, who can be involved & the multiple benefits it can bring 💧.

Everyone can play a role in managing #FloodRisk.

### **Sample post 2**

From the 7th-13th Feb, @TheFloodHub are hosting a Focus Week about the catchment approach to managing #flood risk. This approach looks at the river catchment holistically, rather than a disjointed, piecemeal approach 💧

Follow their social media accounts for more information 📣!

### **Sample post 3**

It’s @TheFloodHub’s ‘Managing Flood Risk: A Catchment Approach’ Focus Week 📣, which will explain what a catchment approach is, who can be involved & the multiple benefits of. They will showcase a number of resources & give an example of a flood scheme from the North West 💧!
