

HOUSEHOLD FLOOD PLAN

Pre-populated Plan

This pre-populated plan can be used as it is, or as a guide to help you create your own flood plan using one of our blank templates.

Trigger 1

Flood Alert

Met Office Yellow Weather Warning

Community telemetry, e.g river level sensor

What to do at this stage

Flooding is possible. Stay vigilant and make early preparations for a potential flood.

- Monitor the situation through forecasts, the Environment Agency's 'Check for Flooding' service, local radio stations and monitoring stations.
- Locate flood kit, check it is complete and ready if needed.
- Check reverse of sheet is completed and you know what to do if the situation gets worse.
- Ensure that your property flood resilience is in working order and ready to install.

Trigger 2

Flood Warning

Met Office Amber Weather Warning

Community telemetry, e.g river level sensor

What to do at this stage

Flooding is expected. Immediate action is required to protect yourself and your property.

- Continue to monitor the situation.
- Move valuables, important documents, electrical equipment and furniture upstairs or to a high place.
- Hang curtains over rails, roll up rugs and carpets and move upstairs.
- Deploy property flood resilience e.g. air brick covers, door barriers.
- Ensure family, neighbours and vulnerable people are alerted and pets moved to safety.
- Move vehicles to high ground out of the flood risk area.

Trigger 3

Severe Flood Warning

Met Office Red Weather Warning

Community telemetry, e.g river level sensor

What to do at this stage

Severe flooding is expected and is likely to cause significant risk to life and destruction of property.

Prepare to evacuate and cooperate with emergency services.

- Check on vulnerable family, friends and neighbours.
- If safe to do so, turn off utility supplies (see reverse of this sheet).
- Continue to monitor the situation using Floodline, local radio stations etc.
- Evacuation is likely. Gather your flood kit and cooperate with the emergency services.
- Ring 999 if you are in immediate danger.

If you live in an area where flash flooding occurs, there can be very little warning. It is best to be as prepared as possible at all times.

HOUSEHOLD FLOOD PLAN

Pre-populated Plan

This pre-populated plan can be used as it is, or as a guide to help you create your own flood plan using one of our blank templates.

ADDRESS OF EVACUATION CENTRE

FLOOD PLAN CHECKLIST:

- Fill in this plan and keep it up to date.
- Sign up to Environment Agency flood alerts and warnings and understand what they mean.
- Check your home insurance covers flooding.
- Investigate Property Flood Resilience (PFR) options (e.g. door barriers, air brick covers).
- Put important documents in a safe place, out of flood risk (e.g. passports, insurance documents, birth certificates).
- Make a flood kit using the checklist.
