

# WORKSHEET: PROTECTING YOUR PROPERTY

## SPOT THE DIFFERENCE

House 1

Circle the 10 differences you can see in house number 2

House 2

Circle which house you think would be better protected from flooding

House number 1

House number 2

## HOMEWORK: PROTECT YOUR HOME FROM FLOODING

Have a look around your house and answer the following questions.

Where could flood water get in?

---

---

---

What defences could you use to stop flood water getting in?

---

---

---

Do you think a flood scheme would help to stop your home from flooding? If so, how?

---

---

---
