

# Worksheet: Weather Vs Climate

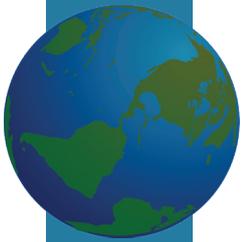

Spread the cards out on the table. Firstly, find two cards, one which defines weather and the other, climate. Then, pick up and read the remaining cards and decide whether they are statements which better describe the weather or climate. Finally, stick the cards in the box below and stick in your workbook.

Weather	Climate

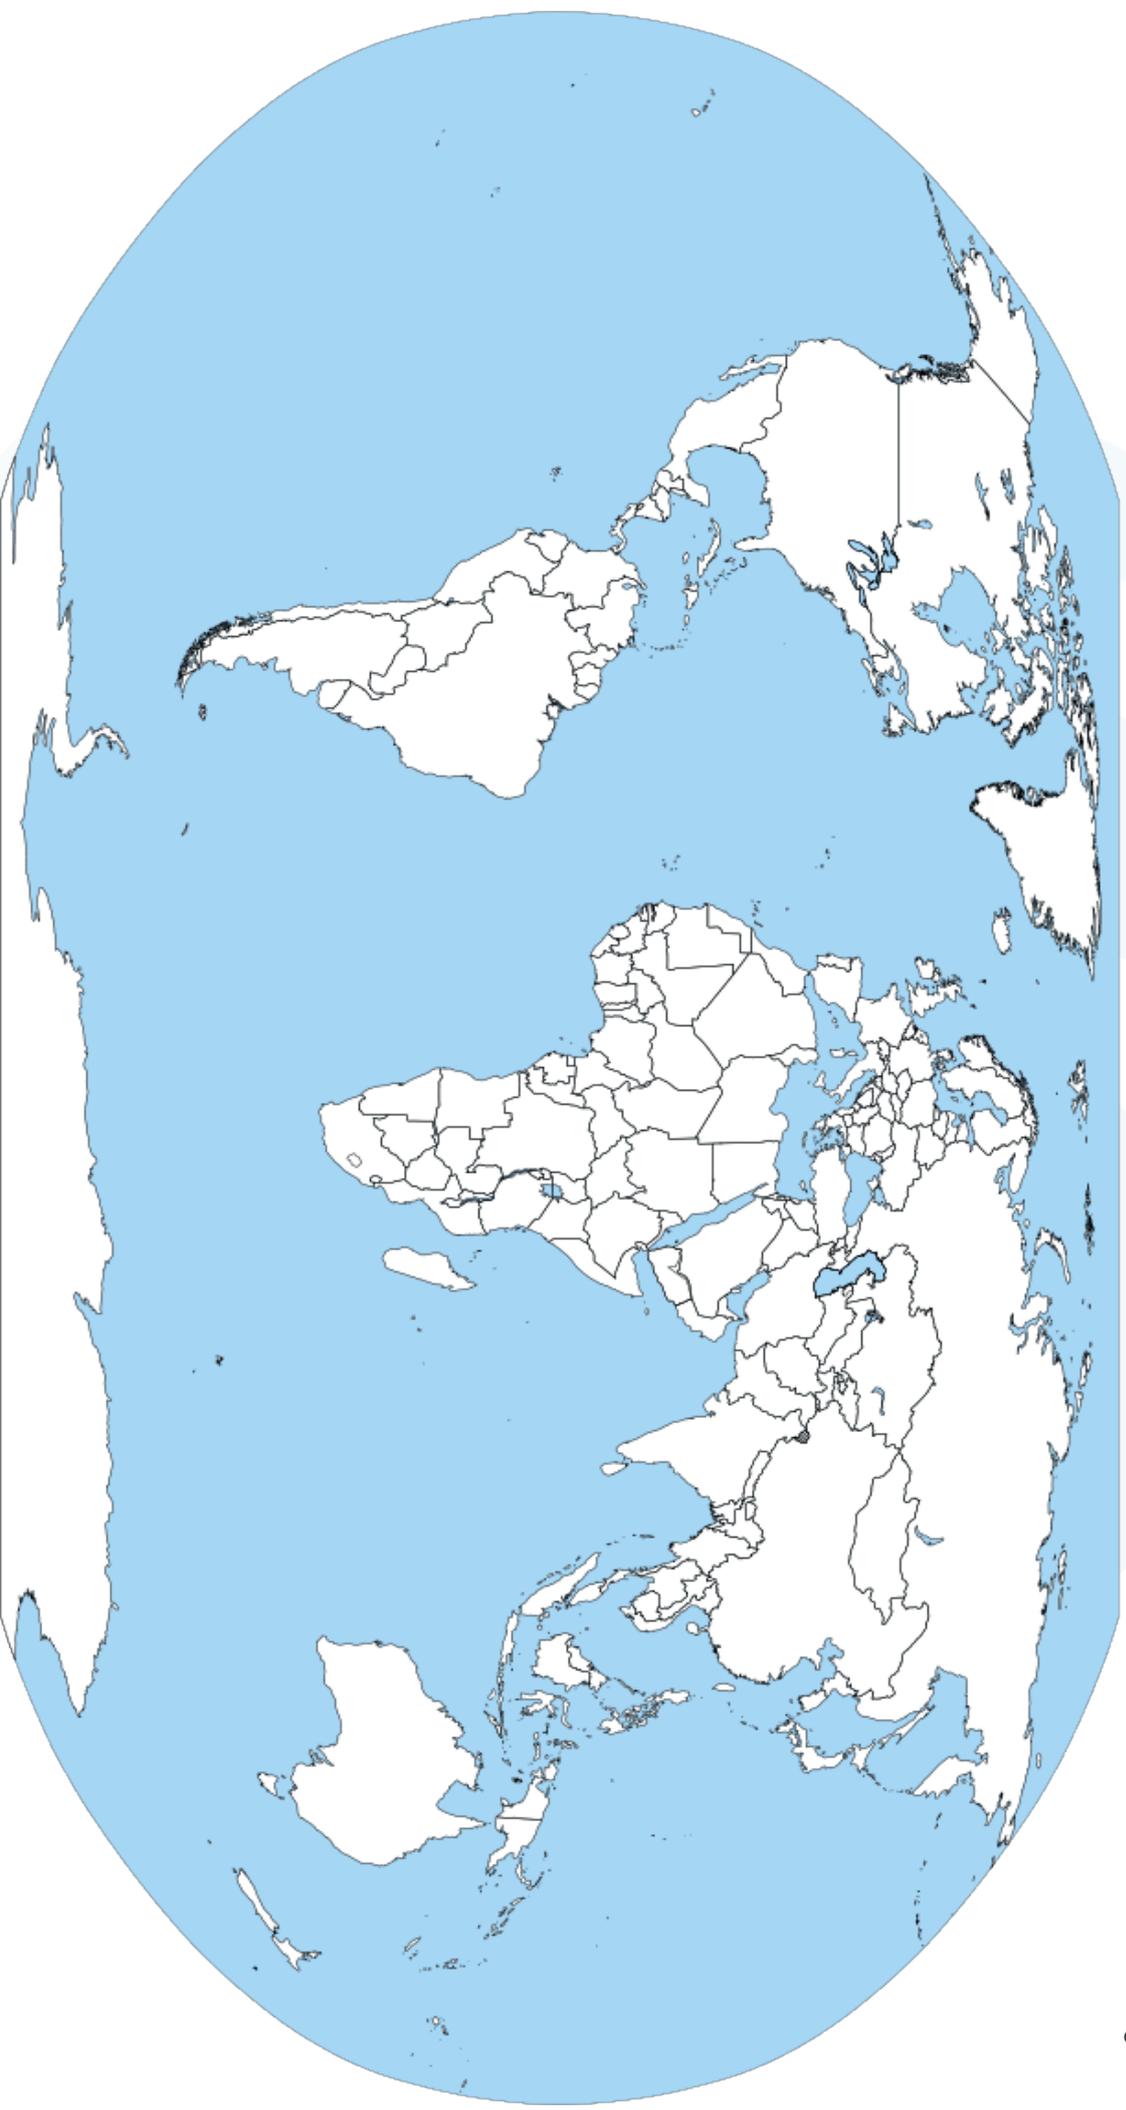

# Worksheet: Weather Vs Climate

Weather	Climate
<p>What's happening outside right now. It is temporary and only lasts a few days.</p>	<p>A description of the weather conditions in an area over the last 30 years.</p>

## Key

Polar

Temperate

Mediterranean

Arid

Tropical

# Fill in the Blanks Worksheet: Different Climate Zones

Fill in the blanks in the sentences below using the words listed at the bottom.

Examples of weather include rain, w\_\_\_, s\_\_\_\_\_, t\_\_\_\_\_ and s\_\_\_ . The weather is described as what is happening outside right \_\_\_\_\_. It is \_\_\_\_\_ and only lasts a few days. However, \_\_\_\_\_ is a description of the weather conditions in an area over the last 30 years.

Polar climates are \_\_\_\_\_ all year round with lots of snow and ice. Antarctica and the \_\_\_\_\_ have this type of climate.

\_\_\_\_\_ climates have \_\_\_\_\_ main seasons - spring, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. The UK has this type of climate.

Desert/Arid climates are very, very \_\_\_\_\_ as it rarely rains. There are lots of hot desert climates across North Africa, e.g. the \_\_\_\_\_ Desert.

Tropical climates are hot all year round but are very \_\_\_\_\_ as it rains a lot. The \_\_\_\_\_ rainforest in Central America is an example of an area with a tropical climate.

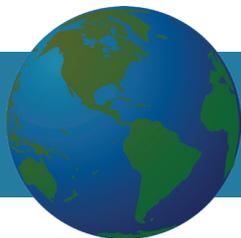

Mediterranean climates have \_\_\_\_\_, dry summers and mild winters. An example of an area with a Mediterranean Climate is \_\_\_\_\_ \_\_\_\_\_.

# Match Up Worksheet: Different Climate Zones

Draw a line to match up each climate zone with the correct description.

**Polar**

Warm all year round  
and very wet.

**Temperate**

Warm, dry summers  
and mild winters

**Desert/Arid**

Have four main sea-  
sons - spring, summer,  
autumn and winter.

**Tropical**

Cold all year round  
with lots of snow and  
ice.

**Mediterranean**

Very hot and rarely  
rains.
